

BOROUGH OF BROWNSVILLE
FAYETTE COUNTY PENNSYLVANIA
March 9, 2022

The Regular meeting of the Council of the Borough of Brownsville was held this evening at the Sons of Italy in Brownsville. The meeting was called to order by President, Tracy Sheehan Zivkovich at 6:00 p.m. by reciting the Lord's Prayer and the Pledge of Allegiance.

The following members were present: Council President, Tracy Sheehan Zivkovich, Council Vice President Paul Synuria, Jackie Jackson, Kasandra Ward, Mike Walters, Beth Bock, Barbara Pepper, and Mayor Ross H. Swords, Jr.

RECOGNITION OF VISITORS

Connie Gore 131 Front Street Brownsville. Ms. Gore attended and asked for a follow-up to her question from last month's meeting regarding the tree removal. Mike Walters stated that he reached out to the contractor about using our bucket truck, but that he has not yet heard back. He is hoping to have a proposal by next month's meeting, and if not, he will have to find someone else to give us an estimate. The tree removal company's truck is too big, so they would need to use our truck, which is smaller.

Ms. Gore also asked if she could be updated on the status of the old Baptist Church, as far as who the owner is and what efforts have been made to find the owner and what we are doing with code violations on that property.

Louise Hicks. 258 Bank Street, Brownsville. Ms. Hicks is a senior citizen and is here to speak about the property tax increase. She believes her taxes were increased in 2020 in the amount of \$200 and another \$200 increase to her in 2022. What does the increase in revenue go towards, as she cannot remember the last time Bank Street was paved. Tracy Sheehan Zivkovich noted that our budget is open to the public and it was advertised prior to the tax increase. Ms. Hicks asked if she could look at the budget, to which Tracy Sheehan Zivkovich noted in the affirmative. Ms. Hicks noted in the winter she cannot get out of her house, due to the snow being pushed across from her driveway, blocking her access. The hill is always clear, but her residence is not. She would like this changed in the future.

Song Veach, 544 High Street. Brownsville. Ms. Veach is here to discuss the increase in taxes. Her increase was also approximately \$200, but her social security has not increased enough to pay it. Tracy Sheehan Zivkovich noted that it was a difficult decision that had to be made to cover the Borough expenses. In December, we had less than \$10,000 in our account to pay bills. Tax increases are always a difficult decision, and the Borough will continue to look for ways to help the senior citizens. Paul Synuria understands the issues with a 4-mil increase, but they were not raised in over 10 years. The 1.5 mil increase from 2020 barely gave the Borough enough to work with. After increases from COVID, the Borough was struggling. 30% of our residents are not paying their taxes.

Ms. Hicks stated that Redstone Township has not had a tax increase during this time. Beth Bock noted the last time there was a tax increase prior to that was 2008.

Mike Walters stated that everyone on Council pays taxes too. Tracy Sheehan Zivkovich understands this is a difficult economic time. In the last few months of the year, there were public meetings to discuss this increase. If the Borough does not have money, then we have to decide what services we can cut — police, snow plowing, fire — where do we decide to cut from. Tracy Sheehan Zivkovich agrees that we have not fixed roads or things that needed fixed as most things require a match. When we put this budget together, we discussed fixing Charles Street Bridge using a \$500k grant. We have to prioritize using money we bring in, so the community can see the difference. Because these things have not been done, they have now deteriorated, and we have to get money in here to fix them. These tax increases affect all of us at the table, and our families and our neighbors too. We are going to do our best to manage the money and spend it wisely. When we are discussing how to keep the streetlights on in December, it is not a good place to be.

Ms. Hicks does not understand why Redstone Township does not have to increase taxes. She thinks we should go after people who do not pay taxes. Mike Walters noted that Redstone

Township has large businesses like Sheetz and DQ. We do not have tax revenue from corporations like this.

MINUTES

Motion by to Paul Synuria to approve the minutes from February 9, 2002. Second by Jackie Jackson. 6 yes, 1 no, Beth Bock. Motion carries.

MAYOR'S REPORT - MAYOR ROSS H. SWORDS. JR.

The Mayor noted that the police fines for the month totaled \$1,022.50 from the MDJ, and \$211.82 from the County court.

There were 65 calls for service, 24 citations, 19 incidents, and 5 arrests.

We are working on an Ordinance regarding yellow lines.

Mayor Ross H. Swords, Jr. would like to request the passing of a Resolution to destroy old police records. Motion by Paul Synuria to approve the destruction of police records at no cost. Second by Barbara Pepper. All in favor. Motion carries.

Lieutenant Brant would like to discuss the tax increase. Brant informed the public that the police department has not taken any overtime over the past few years, but rather they take comp time so as not to affect the budget.

FINANCE & ADMINISTRATION - MIKE WALTERS

Mike Walters reported the total funds at this time are \$184,640.33, including General Fund \$6,236.44, Payroll \$2,214.88, Petty Cash \$502.73, Act 13 \$21,396.34, K-9 Fund \$5,441.27, Fire Escrow \$1 .00, Parking Authority \$1 ,920.59, PLGIT \$6,529.85, ARPA Grant Fund \$116,392.16, and Comprehensive Plan Fund \$23,905.07.

Monthly bills paid were \$51,497.72. Bills that still need paid total \$37,601.55 from the General Fund, \$0 from the Comprehensive Plan Fund, \$22,818.86 from PLGIT, and \$40,000 to the TAN loan for a grand total of \$100,420.41. Deposits this month totaled \$73,705.64.

Motion by Barbara Pepper to pay payroll and remaining bills as we have the money to pay. Second by Mike Walters. Roll call vote: Paul Synuria, yes; Mike Walters, yes; Kasandra Ward, yes; Jackie Jackson, yes; Beth Bock, yes; Barbara Pepper, yes; Tracy Sheehan Zivkovich, yes. Votes are unanimous. Motion carries.

Melissa S. O'Brien noted that the Workers Comp audit was finalized, and all seemed to go well.

BUILDINGS & GROUNDS - MIKE WALTERS

Mike Walters discussed the 149 High Street demo, and noted that there is a conference call at 10 a.m. on Thursday, March 24, 2022, with the State Historical Preservation of PA, who has to approve the demo.

Mike Walters also noted that there was a discussion regarding parking lot signage at last month's meeting. He has been in communication with business owners and tenants regarding parking in those lots. We are trying to resolve the overnight parking issues, as there are residents parking there.

Fiddles has never responded to us regarding the concrete barriers.

Solicitor, Mitch Mitchell discussed vacating 17th and River Streets. We are going to advertise the Ordinance at next month's Council meeting. PAWC is the adjacent property owner, so no additional notification is required.

Paul Synuria makes a motion for a public hearing to address vacating the streets. Second by Jackie Jackson. All in favor. Motion carries.

Beth Bock asked if we were going to notify landowners around this property, which Solicitor, Mitch Mitchell stated we had to notify adjacent landowners, which would be the water company. The meeting will be held at 5:45 p.m. immediately prior to the next regularly scheduled Council meeting, and it will be open for public discussion regarding vacating the street.

CODE ENFORCEMENT - PAUL SYNURIA

There were 25 complaints answered this month, 0 house inspections, 4 court hearings, 62 citations, and 8 letters issued. Monies collected at the MDJ were \$380.76.

There are a considerable number of delinquent garbage bills. If anyone is getting bills that are not theirs, please call County Hauling as the Borough is unable to correct this for residents.

FIRE - PAUL SYNURIA

For the month of February, Northside responded to 21 total calls, including 1 fire, 10 rescue and EMS calls, 4 hazardous conditions, 1 service call, 3 good intent calls, and 2 false alarms.

For the month of February, South Brownsville responded to 24 total calls, including 5 fires, 11 rescue and EMS calls, 4 hazardous conditions, 2 service calls, 0 good intent calls, and 2 false alarms.

ECONOMIC DEVELOPMENT - BARBARA PEFFER

Barbara Pepper noted that she was in touch with Muriel Nuttall and Mark Rafial and they are trying to get people together for a meeting, which is proving to be difficult.

Tracy Sheehan Zivkovich would like to discuss the DCED application, as she believes there is money in there for the blight program. The application is due in April so please discuss before then.

LIBRARY - PAUL SYNURIA

The library is now open Monday through Friday from 10-5. Beginning April 1, they will be open from 10-4 every day of the week. On March 26 from 1-3, Scott Fitchner will be there for a Meet and Greet with his book. April 2 from 1-2 Linda Renstadt will have a Meet and Greet, and on there will be another event on April 6 at 3:30. The horror book selection is growing!

PUBLIC RELATIONS - BETH BOCK

Beth Bock noted the newsletter is being put together and will be distributed at several places throughout town and will be available around the last week of the month. Tracy Sheehan Zivkovich noted there was a piece to the newsletter regarding sponsorships. After last month's meeting, Tim Berdar of PAWC suggested that we offer businesses a sponsorship spot which would give them a section talking about their business as well. Tracy Sheehan Zivkovich noted the purpose of the newsletter is to have things in writing for the public. Mulligan Manor, Trek, the churches, library, Sandwich Shop, Pickers, and some others. Assuming not everyone has electronic access, this would make Borough news available to everyone. Street closures and events will be listed in the newsletter. Tracy Sheehan Zivkovich noted there is no budget for this, but the more people we can bring into town, helps our tax base. This is a good way to share information.

PUBLIC WORKS - Kasandra Ward

Kasandra Ward noted that she is new to this committee, so she does not have anything to report this month.

RECREATION - JACKIE JACKSON

Jackie Jackson spoke with BARC and they would like to do the Ducky Race on August 6, 2022. The Fenwick Park deed is almost ready. Jackie Jackson reached out to Mr. Lincoski to finalize.

The LSA grant was approved, and construction will hopefully start in April with the playground and first base. Beth Bock asked if there was a date yet. The DCNR needs this information as soon as it is available.

Beth Bock noted the Park Board needs members. Tracy Sheehan Zivkovich noted she received a call from Luzerne Township regarding the Park, asking what the Borough could do to help since we are co-owners. They inquired about the ARPA funding, which will have to be reviewed.

TAX BUREAU - TRACY SHEEHAN ZIVKOVICH

There is a zoning hearing for the Novak's. One property was sold at the Upset Sale. There was a discussion regarding how to contact new property owners to be sure they will be within 25 miles of the Borough. This may be difficult, as the Upset Sale only gives the owners name, but no current address. We need a way to contact these new owners.

Motion by Paul Synurja to have Solicitor, Mitch Mitchell attend the Novak hearing so we understand what they are asking for as far as zoning. Second by Jackie Jackson. All in favor. Motion carries.

SOLICITOR'S REPORT

Mitch Mitchell did not have anything new to report.

EXECUTIVE SESSION

Motion by Paul Synuria to go into Executive Session at 7:00 p.m. to discuss pending litigation. Second by Beth Bock. All in favor. Motion carries.

Motion by Paul Synuria to return from Executive Session at 7:45 p.m. Second by Beth Bock. All in favor. Motion carries.

Motion by Paul Synuria to authorize the Solicitor to negotiate a settlement for a sum of money with opposing Council for the laborers fund in a litigation matter pending against the Borough based on the sum of money requested in the suit. Second by Kasandra Ward.

Roll call vote: Paul Synuria, yes; Mike Walters, yes; Kasandra Ward, yes; Jackie Jackson, yes; Beth Bock, yes; Barbara Pfeffer, yes; Tracy Sheehan Zivkovich, yes. Votes are unanimous. Motion carries.

OLD BUSINESS

Borough property interest request will be tabled until next month's meeting.

The Cast Iron Bridge project is on track to move forward. PennDOT is calling that a signature project for 2023.

Committee Responsibility list is in the packets.

We have Board vacancies.

Beth Bock noted that the Comp Plan meeting reviewed previous meeting discussions. Tracy Sheehan Zivkovich noted that we are closing in at the end of the planning process.

Jackie Jackson discussed the LSA grant that was already awarded for Fenwick Park. There is a \$50k LSA grant out there that is not yet designated, but we would like to apply for it if we can.

There is a stack of McMillen bills that need paid. Tracy Sheehan Zivkovich noted she would reach out to McMillen to see if we can hold off on payment of these invoices for another month. Kasandra Ward asked if we could just ask McMillen stop writing grants until we have money to pay. Tracy Sheehan Zivkovich noted the grants they billed us for have already been written.

Fenwick Park has already been funded. The Wharf is ongoing. Charles Street Bridge is covered. 149 High Street is funded. The Rivers of Steel grant is questionable.

The PA Water grant was emailed to all of Council.

Mike Walters spoke on the archway at Snowdon Place. The anticipated completion date is April 30, so we are planning to install footers by that date so that the erection of materials can start in May. Beth Bock asked if the footers would be on Borough property. We have a written agreement with the County. Terry McMillen has taken care of all permitting for both sides of the street. Joe Barantovich and Mike Walters went to Allison Custom Fabrication to discuss payment arrangements, which are now taken care of. John Harvey is the engineer working on the project. Tracy Sheehan Zivkovich noted the great part about this is that this is all being done locally. Beth Bock asked if there would be any detours, which Mike Walters stated there would be during the erection, but not during the footer installation.

There is a resolution required for the Wharf Grant. We will have to commit a \$20k match for a \$500k project. Motion by Paul Synuria to sign the Resolution. Kasandra Ward asked if we could use the PAWC grant, which Tracy Sheehan Zivkovich noted we could if it applies. The Resolution is needed because the funding source requires it. We can raise these funds somewhere else. Second by Beth Bock. Paul Synuria notes the Resolution states we are responsible for the \$20k. There are several other grants out there that could decrease our match potentially down to \$0. Tracy Sheehan Zivkovich noted we are authorizing up to \$20k. There was feedback in the Comp Plan asking for Wharf improvement, so this grant would give us the

opportunity to do this. If we do not have this money by the end of the year, and we are awarded the grant, we can turn it down. Paul Synuria noted this grant would allow people to dock at the wharf. Beth Bock asked about the teen space and the liability, which Tracy Sheehan Zivkovich noted the Borough would assume responsibility. There is a program in Fayette County that could be a conduit for money, as they will "loan" the money if needed. As we did in the past, the Borough made a \$10k commitment to Fenwick, but we can do several things to get that to \$0. This is the case with most of our matching commitments. We are not applying for something that we have no justification to ask for. Paul Synuria noted this would make the wharf functional, which is essential. Roll call vote: Paul Synuria, yes; Mike Walters, yes; Kasandra Ward, yes; Jackie Jackson, yes; Beth Bock, yes; Barbara Pepper, yes; Tracy Sheehan Zivkovich, yes. Votes are unanimous. Motion carries.

Paul Synuria noted there is an email from Columbia Gas in everyone's packet. Tracy Sheehan Zivkovich noted that Columbia Gas offered us small percentage of what is owed from the Front Street project from 2019, and we declined the low offer. Paul Synuria asked what we could do moving forward. Can we stop allowing them to dig? What are our options? Solicitor Mitch Mitchell noted we can enforce the Ordinance. Columbia Gas is requesting a supervisor's name and ID number on all invoices going forward, which we do not get from the PA One Call. Solicitor Mitch Mitchell noted stopping them from digging is not a good move. We have tried unsuccessfully to collect on these invoices. Kasandra Ward noted moving forward, we can get the correct information, bill them, and see if they pay. Beth Bock noted she has the name of the Columbia Gas employee who was digging on Front Street, where the brick is. Melissa S. O'Brien noted she has been in touch with Columbia Gas several times as an attempt to collect this debt. Council will decide how to move forward.

The future project with Columbia Gas has not been finalized or agreed to yet, as the offer in lieu of our Ordinance fees was considerably less than the actual amount if the Ordinance would be followed. Council refused that offer until they settled the past due issue. Beth Bock noted there should be a prior discussion with them before a large project is agreed to.

The Luzerne Park events calendar is out. We need to discuss insurance issues with them.

NEW BUSINESS

We have a broken boiler, which caused the Borough to get a DOL Violation. The inspector has a list of requirements that need to be done, which Michael Walters noted we had White's Heating go in and do. A new boiler is necessary, so we do need to plan for this in the future. Michael Walters noted the repairs done are legal and safe. We were asked to get pricing and plan for a replacement in the future. Solicitor Mitch Mitchell asked about the 30-day timeframe, and what we are doing to comply with it.

Paul Synuria noted that he is unsure if the repairs are done to her specification. Tracy Sheehan Zivkovich asked Solicitor Mitch Mitchell to work with Michael Walters to get this resolved. Michael Walters clarified that this letter came after the repairs were done by White's Heating & Cooling. Beth Bock asked when the boiler went out, which Michael Walters stated it was a routine inspection and the inspector shut it down after seeing some issues. Beth Bock asked how much the repairs were from White's, which we do not have an invoice for at this time. Mike Walters will follow-up with Ron White tomorrow and see if everything is done according to requirement. Solicitor, Mitch Mitchell asked if he feels that the measures taken by White's will meet these specifications, which Mike Walters believes they are.

There is a Resolution to appoint Michael Klamerus. Motion by Kasandra Ward to approve Mike Klamerus. Second by Jackie Jackson. All in favor. Motion carries.

CORRESPONDENCE - TRACY SHEEHAN ZIVKOVICH

There is a bridge inspection notification for everyone's review.

The Brownsville Municipal Authority minutes are included for everyone.

There is a complaint from Mr. Krisch regarding the closure of Luzerne Park. The Park is always closed during this time, as they are still under winter hours. This is for everyone's safety.

There is a request for a Letter of Support for the Park grant. Motion by Beth Bock. Second by Barbara Pepper. All in favor. Motion carries.

Newell FCU loan letter is included for review

TCBA meeting will be held on March 17, 2022 at the West Brownsville VFD. Please attend if you can, as we are co-hosting and need to represent the Borough.

Motion by Beth Bock to allow the Historical Society to hold a reenactment during Pike Days . Second by Paul Synuria. All in favor. Motion carries.

Tracy Sheehan Zivkovich would like to discuss moving back to the Borough building for our meetings. Motion by Beth Bock to move back to the Borough building for our meetings. Second by Paul Synuria. Kasandra Ward has an issue with going back to the Borough building for our meetings, due to health and cleanliness issues. Paul Synuria noted the building was just cleaned by someone doing community service work. Tracy Sheehan Zivkovich noted there is no budget or janitorial work. Mayor Ross H. Swords, Jr. noted the cleaning has been done for the last several years by volunteers. Paul Synuria offered to clean the chamber office.

Roll call vote: Paul Synuria, yes; Mike Walters, yes; Kasandra Ward, abstain; Jackie Jackson, yes; Beth Bock, yes; Barbara Pepper, yes; Tracy Sheehan Zivkovich, yes. Votes are unanimous. Motion carries.

Motion by Paul Synuria to open the Borough building as of Monday, March 14, 2022. Second by Barbara Pepper. All in favor. Motion carries.

MEETING ADJOURNMENT

Motion to adjourn by Jackie Jackson. Second by Beth Bock.

Melissa S. O'Brien, Secretary/Treasurer
